

# B26 PURETIC POWERBLOCK

recommended hydraulic flow is 45 GPM @ 2000 PSI.

### Powergrip:

The yoke mounted Powergrip helps keep the net square when hauling, increasing traction and control of the net in rough weather.

Powergrip motors and hydraulic cylinders are marinated for longer service life. Our Powergrip tire assemblies have galvanized rims with aluminum covers for long service life in a saltwater environment and are available in a number of different styles, heights and widths to customize the Powergrip based on your net size and fishery.

## 26B Powerblock with Open Sideshell Design

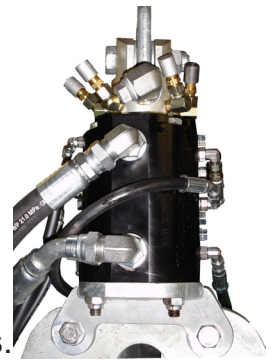

### Hydraulic Motors:

B26 Powerblocks are available with a choice of 6 sizes of motors including two sizes of 2 speed motors. We can size the motor to your hydraulic system based on your requirements for speed or pull. All hydraulic motors are now marinated for longer service life.

Exceeding recommended hydraulic flow requirements of hydraulic motor can result in failure of shaft seal and internal damage to the hydraulic motor resulting in premature failure of motor. Maximum

### Hydraulic Swivel:

Rotate your powerblock 360 degrees. The load bearing hydraulic swivel option allows the powerblock to easily haul port or starboard without binding the hydraulic hoses.

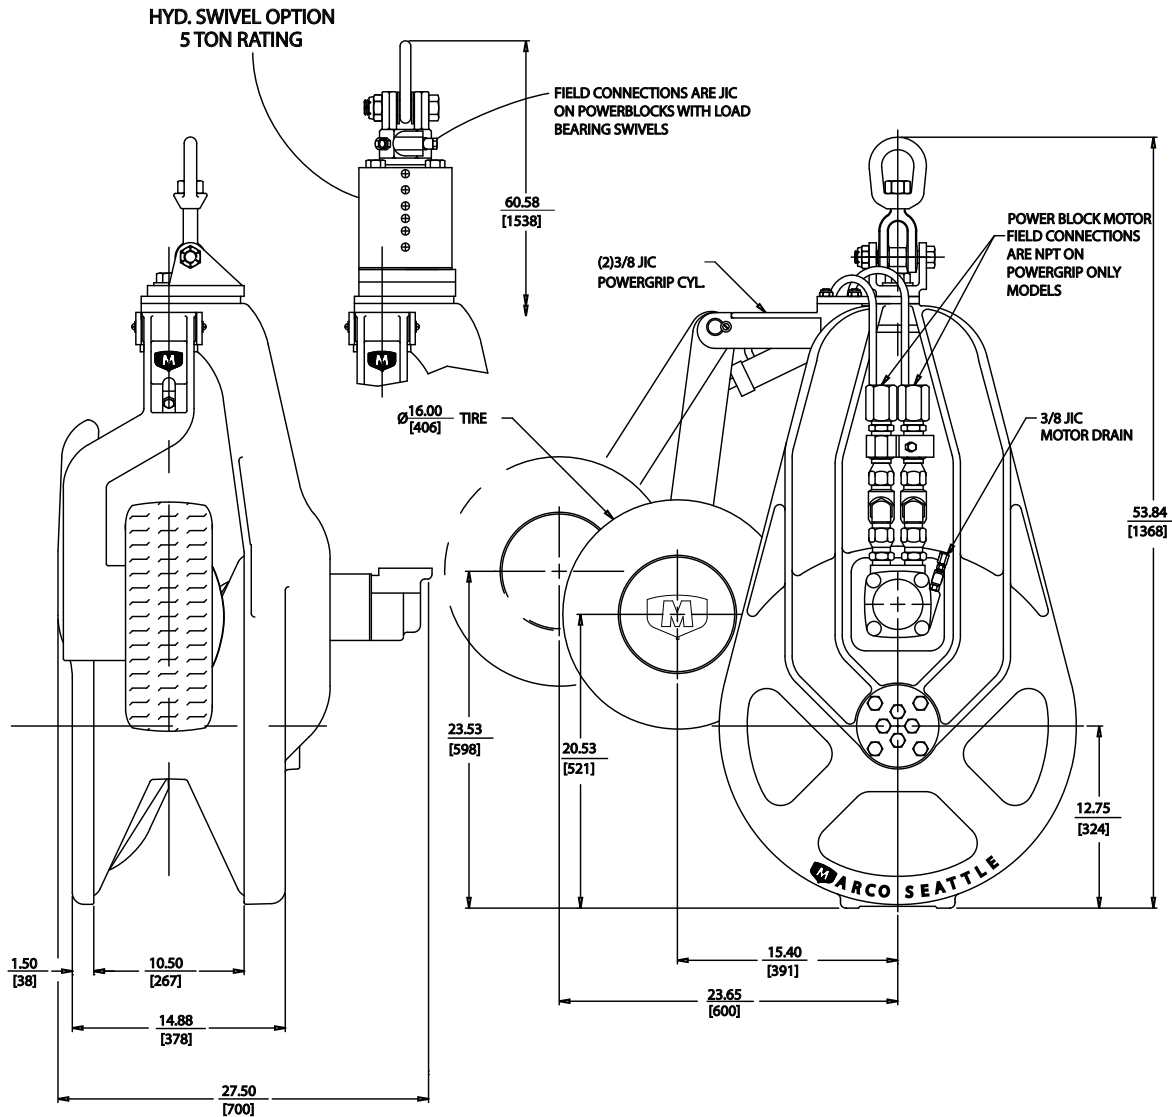

### Bolt in Cleated Sheave:

Replaceable cleats are currently available in Rubber, Aluminum or Polyurethane.

Model	Weight LBS	Height Inches
B26B Plain	340	53
B26B With Powergrip	500	54
B26B With Powergrip and Swivel	615	60.5

Model	Sheave Speed		Net Pull @ 1/2 Radius	Hydraulic Oil Input *	
	FPM	RPM		Flow GPM	Pressure PSI
B26B - 015 - B9926J-SWL	173	42	4013	17	2000
B26B - 019 - B9926J-SWL	178	43	5066	22	2000
B26B - 024 - B9926J-SWL	174	42	6020	27	2000
B26B - 030 - B9926J-SWL	174	42	7608	34	2000
B26J - 016/024 - B9926J-SWL	262H / 174L	63H / 42L	4265H / 6020L	27	2000
B26J - 020/030 - B9926J-SWL	264H / 174L	63H / 42L	5300H / 7608L	34	2000

**\*Maximum recommended continuous hydraulic flow is 45GPM @ 2000 PSI**

Sheave capacity is 30 inches of compact net circumference
